

## Best Applied Paper Award

Corresponding authors of the papers accepted for oral presentation in ISPST 2022 are eligible to apply for Best Applied Paper Award provided by Parsa Polymer Sharif Co. The award includes ISPST 2022 icon plus 100,000,000 Rials cash prize which will be delivered to the winner(s) in the closing ceremony.

This award has been dedicated to the contributors to ISPST series by Parsa Polymer Sharif since 2012. The goal is to promote applied research among the polymer scientists of the country. Award committee will select the best paper based on its impact on the polymer industry. Points of interest to the committee includes:

- Applied vision in the proposed goals
- Feasibility of applying the outcomes to the polymer industry
- Effectiveness of the results on quality/quantity of production
- Cost reduction in manufacturing
- Paving the road for new and competitive products
- Inclusiveness of the results in the polymer industry of the country

To apply for the award, corresponding authors are asked to fill out the application form for the award and submit it to the organizing committee of the conference. The award committee will select the best-applied paper after reviewing the applications along with the extended abstracts accepted for oral presentation in ISPST 2022.

Applications for the Best Applied Paper Award must be mailed to [ispstaward@parsapolymer.com](mailto:ispstaward@parsapolymer.com) by November 2, 2022.
